Victor cleaned out the space I was thinking of using Saturday. I didn't get a chance to check it out yesterday and I'm currently in Detroit until Thurs night.

Can this wait until Fri?

Hi again,

Were you able to confirm with Victor? I need to let the manufacturers know where to send the extra panels by EOD.

Thanks

Ellen

They haven't been delivered yet bc we don't have space. Dimensions are 21 sf: 7 feet wide, 3 feet deep, 45 inches high.
